

Children, Young People & Families Manager Level 5

What will I learn?

- The legislation and compliance requirements for residential care.
- The aspirations for a child in residential care group living and group dynamics.
- Legislation and the Code of Practice for Special Educational Needs and Disability.
- The ethos of the home; how to create and promote it, alongside team dynamics and collaborative approach in residential environment.

What skills will I develop?

- Respecting and valuing individuals to keep them safe, being affirming and working with them to help them make a consideration and concern for children, young people and their families.
- Being confident when faced with confrontation, holding a safe space to manage and contain difficult behaviours.
- Your work is based on building effective relationships, being perceptive and empathic and building good rapport.
- Competence: The relationships you build to effect change will be informed by social care ethics and values.

What will success look like?

- Assumes the role of professional parent.
- Contributes to creating and reviewing placement plans based on individual need.
- To support traumatised children and young people to live together and make progress.
- Develops and promotes the ethos of the home.
- Models collaborative team working and the ability to support and appropriately challenge each other.

Who is it for?

Children, Young People and Families Managers make sure there is direction, alignment and commitment within their own practice, teams, organisation and across partnerships. They help children, young people and families aspire to do their best and achieve sustainable change. They will build teams, manage resources and lead new approaches to working practices that deliver better outcomes and put the child, young person or family at the centre of practice.
